

Otherworldly Communications Jam

Anyone may initiate a prompt by saying its name aloud. The group immediately begins exploring it.

<p><i>Echo the Unheard</i></p> <p>Listen for the quietest sound. Repeat it. Others echo it.</p>	<p><i>Crescendo Organism</i></p> <p>Start tiny. Let the organism slowly grow louder.</p>	<p><i>Atomic Clock</i></p> <p>Choose a repeating sound. Keep it steady.</p>
<p><i>Volume Gravity</i></p> <p>When someone gets louder, you get louder too.</p>	<p><i>Toonhaleren</i></p> <p>Sing one tone until breath ends. Inhale. Choose another.</p>	<p><i>Webbling Field</i></p> <p>Webble your lips or tongue while singing tones.</p>
<p><i>Echo Translation</i></p> <p>Translate someone's sound into another creature's sound.</p>	<p><i>Mirror Mutation</i></p> <p>Repeat a sound but change one element.</p>	<p><i>Moving Swarm</i></p> <p>Walk slowly. Your sound changes near others.</p>
<p><i>Harmonic Parasite</i></p> <p>Attach to someone's tone and distort it.</p>	<p><i>Center Storm</i></p> <p>Face the center and build a sonic storm.</p>	<p><i>Collective Crescendo</i></p> <p>Start silent. Grow until the room is full.</p>
<p><i>Endurance Scream</i></p> <p>Inhale together. Scream as long as possible.</p>	<p><i>Microscopic Sounds</i></p> <p>Make the smallest sound you can.</p>	<p><i>Sliding Organism</i></p> <p>Only sliding tones, no fixed notes.</p>
